

SPECIFICATIONS FOR THE SUPPLY AND DELIVERY OF STEEL CONSUMABLES FOR THE PERIOD OF 36 MONTHS

SCOPE OF WORK

1. TENDER REQUEST

Provision for the panel of service provider (s) to supply various consumables to Northlink TVET College on a when-required basis for 36 months.

2. BACKGROUND INFORMATION

Northlink College is a Public Technical and Vocational Education and Training College and a key component of government as it conducts and coordinates Education and Training on behalf of the Department of Higher Education and Training. Northlink College has seven (7) campuses which are geographically located across the Northern areas of the Cape Town Metropole, Western Cape.

The Central Office is located at 80 Voortrekker Road, Bellville.

The panel of service provider (s), main focus is on the provision of various consumables to the college campuses. The objective of this tender is to have a multi-disciplinary reliable panel of supplier/service provider (s) in place that will supply and deliver various consumables.

Northlink College, through its employees, conducts business on a daily basis with its customers (students), suppliers, and communities as well as with the state and other authorities. During these interactions, the campuses require these consumables to be able to fulfill their functions on-site.

The consumables will be grouped as per commodities. The interested suppliers /service provider(s) are required to provide the price on all listed items

The suppliers /service provider(s) to provide the alternative product should the listed items be discontinued. The panel of suppliers/ service provider(s) can be awarded per commodity. Where the item has various sizes, ensure you provide the pricing of the biggest size.
