

5. SCOPE AND TECHNICAL SECTION

5.1 SCOPE

These specifications make provision for the execution of all work that is necessary for the proposed TR47-2024: REFURBISHMENT AND UPGRADES OF THE LEGAE STUDENT RESIDENCE BUILDING OF TSHWANE UNIVERSITY OF TECHNOLOGY

5.2 DESCRIPTION OF WORKS

The description of works is pertained in the Scope and requires the Structural Refurbishment and Upgrades of the Legae Student Residence Building of Tshwane University of Technology which includes, but is not limited to:

· Attached Bill of Quantities and Drawings

5.3 ADDITIONAL INFORMATION

The specifications below, as well as those provided in the *Scope of Works*, form part of the total Offer and apply to all sections.

- Always keep site clean and tidy.
- All measures and positions of equipment, et cetera, should be inspected on site.
- Any lack of clarity or any contradictions in documents with regard to quantities, should be pointed out
 to the TUT Representative before the closing of the Offer, otherwise the documents will be deemed
 to be correct and to meet the requirements as cnumerated and pointed out during the Site Inspection.
- Only such amendment instructions as have been confirmed by means of a Site Inspection, and which
 have been approved and signed by a TUT Representative, will be brought into final account.

5.4 COMPLETION SCHEDULE

Contract period:

24 Weeks (6 Months)

Penalties for late completion:

R 7000.00 per working day

Tender validation period:

Until final awarding and contracting by the University

TR 47-2024: REFURBISHMENT AND UPGRADES OF THE LEGAE STUDENT RESIDENCE BUILDING OF TSHWANE UNIVERSITY OF TECHNOLOGY

6 EVALUATION PROCESS

6.1 INTRODUCTION

To ensure that all respondents are afforded the opportunity to compete on an equal footing and also to enable Tshwane University of Technology to evaluate the bids received on an equal basis, the bid evaluation process described below will be followed by TUT.

6.1.1 Phase 1A: Pre-qualification criteria. Procurement Mandatory

- i. The pre-qualification check requires verification of compliance with the hurdle requirements. Note:

 No points are allocated to this phase; however, bids that do not meet the pre-qualification requirements will not advance to the next phase of the evaluation process.
- ii. TUT has defined minimum pre-qualification/mandatory criteria listed in the table below that must be met by the Service Provider in order for TUT to accept an offer for evaluation.
- iii. The following documents must be attached to the final Tender Document:

iv. Procurement Eligibility / Mandatory:

No.	I/We have attached to this document:	Tick if submi Online	tted
		Yes	No
1.	Correctly completed and uploaded this tender document and signed by authorized signatories		
2.	Respondents are requested to provide their initials at the bottom—right on each page of this document (or sign in full where indicated).		
3.	A valid SARS Tax Clearance Certificate and or Tax Pin Certificate		ij
4.	A valid B-BBEE Certificate (SANAS/ Affidavit)		
5.	Attach Bank Rating / Letter of Goodstanding The letter should include:		
	The Tenderer's bank account name and number;		
	A statement that engagements and accounts with the bank have always		
	been properly and satisfactorily conducted; and		
	The Tenderer has access to lines of credit with the bank, they have the		
	resources to meet their commitments, and the bank considers the Tenderer a		
	counterparty of good risk and good for business		
6.	Submits annual financial statements for the last 3 (three) financial years, in compliance with the requirements of the Companies Act.		
	*Shortlisted tenderers will be subjected to a financial analysis that may result in		
	a disqualification should there be any material financial risks.		
7.	Last 3 (three) month bank statements (required for vetting process)		
8.	Proof of my/our company/closed corporation registration and a copy of my/our CM/CK certificates		
9.	Copies of the identity documents of those with equity/shares (share certificate)		
10.	Proof of Proxy/ Board Resolution		
11	Annexure B:TUT Vendor Registration Form to be completed and submitted as part of the tender submission *Still subjected to TUT's vetting processes		

TR 47-2024: REFURBISHMENT AND UPGRADES OF THE LEGAE STUDENT RESIDENCE BUILDING OF TSHWANE UNIVERSITY OF TECHNOLOGY	

- Bids that do not meet the Pre-Qualification requirements will not advance to the next assessment stage. *No points are allocated to this stage.*
- Despite the above, the University reserves the right to request information (which must be responded and/or provided to the University within the period as determined and communicated by the University) where the information provided is insufficient, is not supplied, is unsuitable or does not provide adequate detail.

Phase 1: Phase 1B: Prequalification Criteria - Technical Eligibility/Mandatory

No.	I/We have attached to this document:	Tick i subm Onlin	itted
		Yes	No
1,	A valid COIDA - provide proof that it is in possession of a letter of good standing from the Compensation Fund or a licensed compensation insurer as contemplated in the Compensation for Occupational Injuries and Disease Act No. 130 of 1993. *The proof must be valid at the time of close of the Tender and a valid certificate must be produced at the time of award if the certificate expires between close of Tender and award.		
	NOTE: The proof must be related to the built environment field.		
2.	Provide a letter of intent or proof of Contractors All risk Insurance to the value of R20 000 000.00		
3.	A valid Grade 5 GB or higher CIDB Grading Report or Certificate		
4.	Annexure 7 BoQ: REFÜRBISHMENT AND UPGRADES OF THE LEGAE STUDENT RESIDENCE BUILDING OF TSHWANE UNIVERSITY OF TECHNOLOGY		

Phase 1C: Functionality Evaluation Criteria

- The aim of this exercise is to evaluate all bids received based on Functionality as a criterion in accordance with the tender requirements.
- Evaluation criteria as set out hereunder are designed to ensure conformity with Tshwane University of Technology's bid requirements.
- To assist respondents, a synopsis of the evaluation form which will be utilized by the Tshwane University of Technology's evaluation team, indicating the evaluation criteria, weights, applicable values and/or minimum qualifying score for functionality, is provided in this tender document.
- A bidder that fails to obtain the minimum the qualifying score for functionality as indicated in this tender document is not an acceptable tender.
- Tenderers will be assessed in terms of experience in a similar environment, operational capacity, and quality management standards.
- In this stage, the <u>Tenderer must score a minimum of 70 points</u> in order to move on to the next stage
 of evaluation as per the pre-qualification requirement.

TR 47-2024: REFURBISHMENT AND UPGRADES OF THE LEGAE STUDENT RESIDENCE BUILDING	
OF TSHWANE UNIVERSITY OF TECHNOLOGY	
	Initials

Item	Functionality Criteria Points	Maximum Weighting
1.	Company Experience	
	Provide a minimum of five (5) acceptable and relevant references for projects covering a similar scope and works at a minimum value of R 9 000 000.00 completed not more than ten (10) years ago.	
	Each reference is to be supported with:	
	 proof of appointment letter/contract completion certificates a reference letter with contactable references 	
	NOTE:	
•	TUT has the prerogative to request a portfolio of work with photographs specific to each project reference	
	Where a bidder was appointed as a sub-contractor, the scope of work must be of a similar level of complexity and the scope of work must be clearly defined in the reference or appointment letter. Where the reference comes from another contractor, a reference letter from the principal agent on the project will be required.	
	NOTE:	
	The reference letter must contain the following details:	
	 Project description Starting date and completion date Value of the project Employer 	
	NOTE:	
	In terms of the complexity classification, this is a medium-level complexity type of project and therefore only projects which fall within the medium-level complexity or high-level complexity classification will be acceptable. For guidance on complexity classification, refer to the attached project complexity classification.	
	NOTE:	
	TUT has the prerogative to visit the site where work has been completed, as per the references submitted by each bidder.
