

PU1411/016 APPOINTMENT OF A SERVICE PROVIDER FOR MANAGED PRINTING SERVICES REQUIREMENTS AT CUT

QUESTIONS

1. Can you please confirm. As per the current contract all is included in the cost per (Paper, all other consumables) The new tender document specifically excludes paper, is this correct ?
2. Regarding Exams: The current requirement is to have machine that can make booklet (A3 fold and staple) as well as access to colour (Separate machines). As per the new document I do not see this requirement.

ANSWERS

In the tender document you are referring to, under scope, consumables include **paper**. Please see the extract below:

8.14 PRICING MODEL

CUT will pay based on the **cost per printed page**.

Pricing must include:

- Consumables
- Maintenance and repair
- Replacement parts
- Software licensing
- Monitoring and reporting tools

Bidders must provide pricing for:

- A4 mono printing
- A4 colour printing
- A3 mono printing
- A3 colour printing
- Scanning services

The tender specifies that the bidder must be acquainted with the current fleet, which includes details on the types of machines utilised in the specific areas of printing across both campuses, as specified on page 11 of the tender document.
