3.2.2. COVID-19 CLEANING REQUIREMENT

The specific Covid-19 compliant Cleaning services required by the Northern Cape Community Education & Training College detailed below, but are not limited to the following:

Cleaning activity required	Frequency
Fumigation of the building	As and when required
Deep cleaning	As and when required

- The number of cleaners per site should also be gender representative
- The service provider should make provision for cleaners who have basic general and COVID-19 management expertise in order to amongst others ensure that waste material for Covid-19 is disposed of to avoid any potential contamination.
- The service provider will be required to start immediately upon appointment in order to clean and prepare the buildings to assume operations.
- A contract Manager must be appointed to liaise with Northern Cape Community Education & Training College CETC monthly and whenever a need arises
- A register should be kept of all cleaning that takes place.
- Deep cleaning (in line with COVID regulations) will be requested as and when needed.

Annexure A indicates the locations of where the 7 Main Community Learning Centres and 80 Satellites are located and the number of classrooms at each satellite:

Cleaning equipment and materials must be provided by the cleaning company to the cleaning team members and must be SABS approved. PPE must be provided to cleaning staff along with tools of trade and consumables.

Northern Cape Community Education & Training College reserves the right to ask the cleaning company to change the product/s immediately, if required at no cost to the College.

The service provider will be required to start immediately upon appointment in order to clean and prepare the building to assume operations.

1. MANDATORY BID DOCUMENTS

The following criteria will be used to evaluate bids:

The College has set minimum standards that bidders need to meet as a precursor to evaluation and selection as the successful bidder.

Pre-qualification Criteria (Phase 0)	Technical Criteria (Phase 1)	Evaluation Price and B-BBEE Evaluation (Phase 2)
Bidders must submit all documents as outlined in paragraph 9.1 below. Only bidders that comply with ALL these criteria will proceed to Phase 1.	Bidders are required to achieve a minimum of 70 points out of 100 points to proceed to Phase 2 (Price and B-BBEE considerations).	Bidders will be evaluated out of 100 points and Phase 2 will only apply to bidders who have met and/or exceeded the threshold of 70 points.

9.1 PHASE 0: PRE-QUALIFICATION CRITERIA

Without any limitation in respect of the College's other critical requirements relevant to this Bid, prospective bidders must submit all the documents listed in the table below.

Table: Documents to be submitted for pre-qualification:

8.1 Pre-Qualification Criteria

The following criteria will form the basis of evaluating all bids received and failure to comply with the pre-qualification criteria may result in the disqualification of the bid:

Document that must be submitted	YES/NO	Non-submission may result in disqualification
Invitation to Bid - SBD 1		Complete and sign the attached <i>pro-forma</i> document
Tax Status Tax Clearance Certificate - SBD 2		Written confirmation that SARS may on an ongoing basis during the period of the contract disclose the bidders tax compliance status. Proof of Registration on the Central Supplier Database Vendor number/CSD number In the event where the bidder submits a hard copy of the Tax Clearance Certificate, the CSD verification outcome will take precedence.
Declaration of Interest – SBD 4		Complete and sign the attached <i>pro-forma</i> document. Bidders must submit share certificate of the bidding company/firm, CIPC/CK document,

		certified copies of IDs of directors and shareholders.
Declaration of Bidder's Past Supply Chain Management Practices -		Complete and sign the attached <i>pro-forma</i> document (SBD 8).
Certificate of Independent Bid Determination		Complete and sign the attached <i>pro-forma</i> document (SBD 9).
Registration on the Central Supplier Database (CSD)		The bidder must be registered as a service provider on the Central Supplier Database (CSD). If not registered proceed with completing the company registration prior to submission of the proposal. Visit https://secure.csd.gov.za/ to obtain a vendor number. Submit proof of registration.
Pricing Schedule		<i>Submit full details of the pricing proposal in a separate envelope</i>
NCCA / BEECA		<i>Registration with NCCA/BEEC will be discussed with successful bidders at SLA stage</i>
Letter of good standing from Department of labour		<i>Registration for compensation for injuries or diseases (COIDA) cleaning/Hygiene services will be discussed with successful bidders at SLA stage</i>
Board Resolution		<i>Attach copy of board resolution. Unless sole proprietor</i>

- a. Each document must be completed and signed by the duly authorised representative on behalf of the prospective bidding company.
- b. During this phase bid responses will be evaluated with emphasis placed on documentary compliance with the listed administrative and mandatory bid requirements.
- c. *Bidders' proposal will be disqualified as a result of non-submission and completion of the listed documents.*

FUNCTIONALITY

9.2 PHASE 1: TECHNICAL EVALUATION CRITERIA = 100 POINTS

- a. All bidding companies are required to fully adhere to the technical evaluation criteria.
- b. *Only Bidding companies that have fully met the Pre-Qualification Criteria in Phase 0 will accordingly be evaluated in Phase 1 for determination of functionality.*
- c. Bidding companies will be evaluated on an overall score of 100 points.
- d. Bidders are required to score a minimum of **70 points** to proceed to **Phase 2: Evaluation for Pricing and B-BBEE status.**
- e. **Phase 1: Technical Evaluation Criteria:** The bidders' information will be scored according to the Points determination system.

8.2 FUNCTIONALITY CRITERIA

Respondents must score 80 points and above to be assessed on their financial offer and preference score.

To ensure simplification, the total functionality score will be rated out of a total of 100.

Suitably qualified and experienced evaluators will evaluate the bids received and the average score will be carried forward as the Total Functionality Score.

The allocation of points for the evaluation of quality is set out in the table below.

Criteria	Maximum Points
Company experiences in cleaning services <ul style="list-style-type: none"> Detailed list of current and completed contracts of similar nature (Cleaning/hygiene) Testimonials of the previous similar project with contactable references. 	20
Locality <ul style="list-style-type: none"> The suppliers which are based on the nearby sites Proof of business address needed (Municipality utility bill) 	40
Related to skill and development. <ul style="list-style-type: none"> Competency, training, skills and personnel development of the tendering service provider. (Cleaning service training OHS, first aid etc) of staff to be deployed. Protective clothing (what is supplied and how often) 	10
Execution plan <ul style="list-style-type: none"> Proposed work plan including proposed methodology of staffing schedule, monitoring and co-ordination mechanism. 	20
Company profile <ul style="list-style-type: none"> Cleaning product/detergent (Completion of material and equipment) To offer green cleaning services, a company must use cleaning products that are environmentally friendly and do not contain harmful chemicals. Environmentally friendly companies make a huge contribution toward minimizing the risks associated with exposing our offices to unsafe cleaning products. Provision of a list of the products the bidding company uses with an indication of the environmental friendliness of the products. Bidder is required to provide a profile of themselves for evaluation of their capacity to supply the required equipment including resources, details of agency or distribution agreements that they hold as well as details of equipment that they supply 	20
Total evaluation points for quality	100
