The goal is to have a single node that will display 4 tables of 7 columns each.

- Table 1 displays results for the entire year. Rows are grouped by year.
- For Tables 2,3,4 the data in the rows are grouped by results in custom field "Case ID" of the contact record with the "Client" role in the prosecution/legal case type.
- Table 2 displays single year column results.
- Table 3 displays results for a single quarter
- Table 4 displays results for a single month
- Each table has a top row that displays total results.
