

1. EXTENT OF CONTRACT & ASSUMPTIONS ON THE BOQ

Building contract

The work embodied in the contract comprises construction of a stable building with associated services and external works.

The successful tenderer for this contract will be appointed in terms of the Principal Building Agreement, July 2007 edition 5 prepared by the Joint Building Contracts Committee (JBCC Series 2000) and amended by the quantity surveyor to suit the project.

Assumptions

- The bills of quantities have been produced without a civil, structural, mechanical & fire engineer's input, all quantities & project specifications have been assumed and shall be confirmed once these professionals are appointed and give accurate professional drawings.
- Ground conditions have been assumed to be adequate for the type of construction, no geotech has been conducted. All costs for a geotech investigation shall be borne by the client.
- Contingency has been added at the final summary. This allowance shall be used on a proven cost basis and signed off by the client and principal agent.

ACQUAINTANCE WITH TENDER DOCUMENTS

By submission of a tender, the contractor shall be deemed to have acquainted himself with the contract documents, local requirements and laws and all aspects of the work envisaged in the documents, prior to pricing and submission of a tender. It is of vital importance that the tenderers visit the site prior to the submission of a tender to study conditions on site.

No claim resulting from failure to comply with any of the above will be entertained.

3. CONTRACT DOCUMENTS

The contract documents shall comprise:

- * This tender enquiry document, bills of quantities and its annexures.
- * All architectural drawings, to be read in conjunction with the bills of quantities:

4. BILLS OF QUANTITIES

These bills of quantities contain pages numbered consecutively as indicated in the Index.

Before the contractor submits his tender he should check the number of pages, and if any are found to be missing or duplicated, or the figures or writing indistinct, or the tender documents contain any obvious errors, he should apply to the quantity surveyors at once and have same rectified as no liability whatsoever will be admitted by the quantity surveyors in respect of errors in a tender due to the foregoing.

On no account should these documents be used for placing orders for materials. The contractor may do so at his/ her own risk but shall not be reimbursed for additional costs incurred.

Unless a separate rate for the supply and for the installation of any items is specifically called for, the supply and installation costs of any item shall be deemed to be fully included in the unit price.

5. MATERIAL AND LABOUR COST FLUCTUATIONS

Tenders shall be fixed i.e. inclusive of provision for material and labour cost fluctuations during the course of the works.

6. CONTRACT PERIOD

Building contract

Tenderers' attention is drawn to the fact that no physical start & completion dates have been put forward, it is required of the tenderers to propose a duration for this should the contract be awarded to them.

7. CONDITIONS TO BE OBSERVED IN TENDERING

7.1 Tenders shall include Value Added Tax

7.2 The quantity surveyors will notify the tenderers of the tender results

7.3 The lowest, or any, or portion of any tender will not necessarily be accepted.

7.4 All tenders must be entered on the form provided herein.

7.5 Tenders must hold good for ninety (90) calendar days from the tender closing date as stated herein.

7.6 All recipients of the tender document (whether they submit a tender or not) must treat the details of the document as private and confidential

7.7 The employer will not be responsible for, or pay for, expenses or losses, which may be incurred by any tenderer in the preparation of his tender.

8. TENDER INFORMATION

The employer may require additional information from the tenderer in order to evaluate the tender. The tenderer is required to provide such information if so required by the employer.

	PRELIMINARIES				
	<u>BUILDING AGREEMENT AND PRELIMINARIES</u>				
	The JBCC Series 2000 Principal Building Agreement (July 2007 edition 5.0 - reprint 1) prepared by the Joint Building Contract Committee shall be the applicable building agreement, amended as hereinafter described				
	The JBCC Principal Building Agreement Contract Data EC and the JBCC Principal Building Agreement Contract Data CE form an integral part of this agreement				
	The ASSAQS Preliminaries (August 2010 edition) published by the Association of South African Quantity Surveyors for use with the said JBCC Principal Building Agreement shall be deemed to be incorporated in these bills of quantities				
	Contractors are referred to the abovementioned documents for the full intent and meaning of each clause thereof				
	These clauses are hereinafter referred to by clause number and heading only. Where standard clauses or alternatives are not entirely applicable to this agreement such modifications, corrections or supplements as will apply are given under each relevant clause heading and such modifications, corrections or supplements shall take precedence notwithstanding anything contrary contained in the abovementioned documents				
	Where any item is not relevant to this specific agreement such item is marked N/A, signifying "not applicable"				
	<u>PREAMBLES FOR TRADES</u>				
	The Model Preambles for Trades (2008 edition) as published by the Association of South African Quantity Surveyors shall be deemed to be incorporated in these bills of quantities and no claims arising from brevity of description of items fully described in the said Model Preambles will be entertained				
	Supplementary preambles are incorporated in these bills of quantities to satisfy the requirements of this project. Such supplementary preambles shall take precedence over the provisions of the said Model Preambles				
	The contractor's prices for all items throughout these bills of quantities must take account of and include for all of the obligations, requirements and specifications given in the said Model Preambles and in any supplementary preambles				
	<u>PRICING OF PRELIMINARIES</u>				
	Should the contractor select Option A in terms of sub clause 3.2.1 in the Contract Data - Contractor to Employer (CA) for the purpose of adjustment of these preliminaries, the amount entered into the amount column in these preliminaries is to be divided into one or more of the three categories provided namely Fixed (F), Value Related (V) and Time Related (T)				
	<u>SECTION A - PRINCIPAL BUILDING AGREEMENT</u>

Principal Building Agreement

	It is specifically agreed that the contractor accepts the obligation of assisting the principal agent in implementing proper cost management. The contractor will be advised by the principal agent of all cost management procedures which will be implemented to ensure that the final building cost does not exceed the budget. The principal agent undertakes to make available to the contractor all budgetary allowances and cost assessments/reports to enable the proper procedure to be implemented and the contractor shall attend all cost plan review and cost management meetings. The contractor undertakes to extend these procedures, as necessary, to all subcontractors				
	F:.....V:.....T:.....				
	Propping of floors below	Item	0		
	The contractor is advised that propping of floors below may be required if he wishes to use any areas of completed suspended reinforced concrete slabs for vehicle access, storage of materials and goods and location of plant, scaffolding, etc. The location of these areas and any necessary propping shall be approved by the principal agent and the cost thereof shall be borne by the contractor				
	F:..... V:..... T:.....				
	Use of lifts and or temporary hoists	Item	0		
	The contractor shall devise his/her own temporary access for equipment into the building and the removal of rubble from the building.				
	If the contractor makes use of a hoist and/or scaffolding and creates temporary openings in order to gain access, or for any other reason, the contractor shall upon completion of the Works reinstate all affected existing work to match its original condition.				
	Strict safety rules shall apply to the use of any scaffolding, hoists or lifts.				
	Copyright	Item	0		
	The ownership of the copyright in and to all drawings, specifications, models and documents of any nature, delivered to the Contractor, or produced by, or on behalf of the Contractor in connection with the works, shall remain vested in, and/or is hereby assigned to, the Employer by the Contractor				
	F:.....V:.....T:.....				
	Confidentiality	Item	0		
	The Contractor shall treat all drawings, specifications, models and documents of any nature delivered to the Contractor, or produced by, or on behalf of the Contractor in connection with the works as being confidential. The Contractor shall not copy, photograph and/or repeat either wholly, or in part, any of the contract documents referred to above (except insofar as may be necessary in connection with the project). The Contractor shall return to the Principal Agent with his tender, all contract documents issued herewith, and, upon completion of the Works deliver to the Principal Agent all contract documents of any nature pertaining to the project
